Minister – Rev Dr Michael Moon

Worship Team

It hardly seems a year since the last Annual Report, but then a lot has happened in that time.

The year started in March with the sad and unexpected death of Rev Steve Watts. Rev Michael Moon was appointed as our minister very quickly and chaired last year's AGM as one of his first meetings with us. Since then we have forged a new friendship with him and his wife Jane, met their children and grandchildren, enjoyed some memorable services together, including the Youth service weekend, when Church was transformed into a meditative paradise and the Teddy Bear service, when we shared our stories and love affairs with our favourite cuddly toys. We have enjoyed Michael's photographs, his stories and his sense of humour.

There has been an AAW service on the first Sunday of each month, three of which were shared with the Uniformed Organisations, who hunted eggs at the Palm Sunday Eggstravaganza, decorated windows as well as built potato pyramids at Harvest, and donated very generously at the Toy and Gift service. Pam Smith, Sue Hockett, Rev Michael Moon, Bob Briant and Dani Mayo have presented active and interactive services, often accompanied by the band.

Rev Michael Moon has led a communion service on the fourth Sunday of each month, including a Pastoral Leaders Dedication and the Annual Covenant service.

The Cup of Song on the fifth Sunday has had a stop/ go history for a variety of reasons, but hopefully we will be more successful in 2020.

The early morning communion has been discontinued, as it came immediately after Michael's planned one on the fourth Sunday and it was not well attended. However, we will continue to invite Emmanuel, (and possibly the URC) to join us and explore ways of growing together. The Christmas services were well attended. At the Toy and Gift Parade, the request for tokens to help the families displaced after fleeing violence and intimidation had an amazing response. The toys were also very gratefully received. The Carol Service was supported by the members of Sweyne Singers and *some visitors*. The Christingle had the

usual mix of families, teenagers, puppeteers *and visitors*. There was also a Christmas Day service, with about twenty people and *some visitors*. All our Christmas services were led by Rev Michael Moon and were much enjoyed. We benefitted from the publicity and use of the Facebook page.

Worship on the Move continues at Rupert Jarvis Court on alternate months, with a shared Carol Service on the first Sunday of December. Our months are January, March, May, July, September and November. The informal devotional part lasts for about 40 minutes and is followed by tea and cake. We have got to know the residents who attend and those members of Emmanuel who come. I am afraid that none of Hockley Methodists go when it is Emmanuel's turn to lead, except in December. Everybody is welcome at this informal gathering and if you would like a lift, then get in touch with me and I will do my best to arrange one.

The Worship Team became part of the Circuit invitations committee which after many meetings, led to a five year extension for the Superintendent Rev Peter Moorhouse and the appointment of Rev Calvin Samuel as the minister for Rayleigh, Rochford and Hockley (subject to Conference approval) from September 2020, for the next five years.

The Worship Team only has three members at the moment, all of whom have other responsibilities within the church, so a big thank you to everyone for your help and support throughout the year, especially on the big and busy occasions. I also want to express my thanks to Claire Thompson, our now ex church administrator, without whom I would be running around in ever decreasing circles, trying to manage the incoming information, complete rotas, write prayers and present the notices. She has been a great support.

Muriel
On behalf of the Worship team

Treasurer

A copy of the Balance Sheet for the financial year ended 31st August 2019 follows this report. Details of receipts and payments in the various funds during that year can be found on papers pinned to a Notice Board in the Coffee Room and a personal copy can be made available on request.

All the funds showed acceptable balances but we need to bear in mind that this is only achieved thanks to William Potter's legacy. In the year to which this report relates it not only financed regular property payments, including cleaning and servicing, but also enabled us to carry out work required by the Quinquennial Report without the need for loans. A refurbished kitchen and an improved car park surface have been two of the benefits from this.

The legacy also makes possible the allocation of some of the money received from lettings to the Church Fund, rather than needing all of it for property matters as had previously been the case. Without this we would struggle to pay the circuit assessment. In the year to which this report relates, the amount received in the weekly offerings was just short of £12,500, to which some £2500 was added from Gift Aided income tax refunds. This left us short of the circuit assessment figure by just under £3000.

There are other payments that are made from the Church Fund which are largely financed from donations and fund raising activities.

Grateful thanks is due to those who give so much of their time and energy to organise these social occasions which provide opportunities for enjoyable fellowship as well as boosting the bank balances.

David Clarke continues to give me invaluable assistance without having an official title. I value his help more than I can say.

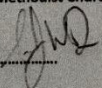

Stan Rae - Church Treasurer

HOCKLEY AND HAWKWELL METHODIST CHURCH
Balance Sheet as at 31st August 2019

2018-2019	2017-2018
Current Assets	
Bank Account	15,941.01
CFB Accounts	11,126.55
TMCP	153,938.58
116,405.51	181,006.14
 Representing Accumulated Funds	
Church Fund	12,367.65
Property Fund	100.17
Building Reserve Fund	12,673.56
Benevolence Fund	565.78
Youth Fund	806.81
Admin Fund	438.04
William Potter Legacy	153,938.58
External Organisations	115.55
116,405.51	181,006.14

I have examined the books and vouchers presented to me and I certify that these accounts represent a true statement of the funds for the Hockley and Hawkwell Methodist Church as at 31st August 2019

 Independent Examiner Appointed by the Church Council

Property

The new kitchen

After much deliberation and consultation the new kitchen was completed in the summer holiday.

Mike Pregnall and his trusty committee worked extremely hard in making sure every detail was considered and the general consensus is that it has been a great success. Our grateful thanks for all the hard work put in by Mike and the committee. Thanks, too, to Sandra and Colin, John and June who washed and replaced everything in the new kitchen. A huge job!!

The kitchen floor is lifting in some places and so we will seek advice regarding the floor and its possible replacement.

The automatic doors have an annual service and apart from the occasional blip have been very successful.

The boilers are serviced annually. Our thanks to Colin Allison for making sure that the premises is heated for all our activities and also for those who let the premises.

Instakil attend regularly and report if there are any concerns.

Health and Safety

The radiator covers in the back entrance have made it a safer environment for all users but especially for young children as they come and go from Brightstars.

A light, handrail and white lines have been added at the front by the steps as a safety feature.

Future projects

Chairs in Church

We are in the process of choosing the fabric for recovering the chairs in church so that they can be done as soon as possible. Thank you to everyone who contributed to Gift Day to help to make this possible.

New Shed for storage

This will be done as soon as we receive planning permission. Our thanks to Wells Solicitors for their generous gift and to Ray Williams for his input. As we all know Linda had a special gift of working with young

children and this donation was a way of saying thank you, from Wells, for her work in the church and in the community.

Notice boards

There will be replacement boards put up as soon as the front of our building is redecorated.

Bins and recycling

There have been many concerns regarding the bins in the hall as recycled materials are mixed with non-recyclables and have to be sorted at the main bins. We are writing to remind the groups who use the hall and outside lets that all rubbish will need to be removed from the premises and that the hall needs to be left clean and tidy.

Cleaning

As Tamsyn has resigned, we are seeking new cleaners. We have approached a few local companies and we are arranging conversations immediately. Our thanks to Tamsyn for her many years of service. A gift and card have been given to her.

The grounds

We are very grateful to Anthony who has been working on the grounds and keeping them neat and tidy. It is a huge job and has required a great deal of effort. Our thanks to Anthony.

Thank you

Our committee is made up of:-

Rev Michael Moon, Stan Rae (Treasurer) Michael Deedman, Carolyn Sturgess (Lettings) June Parkhurst,

Anne Sains. Colin Allison and Dave Jacobs. My grateful thanks to all the committee for their help and support this year.

Anne Sains
Property Secretary

Cradle Roll

Cradle roll children continue to be involved in our Church life, for example, as members of; Brightstars, Messy Church and Friday club.

They form a very special part of our Church family.

Gill Cross - Cradle Roll Secretary

Messy Church

Messy Church continues to be a fun time for toddlers and youngsters and their parents.

We have been meeting regularly once a

month on every third Tuesday at 4pm – 5.30pm for about 7 years and some of our children were very little when they started coming!

The help that Lianne Hoy has given over all these years is particularly appreciated as she prepares a lot of the activities and items for us to use in church as part of our worship.

We could not manage without the terrific support from Sandra and Colin and June and John for setting up and putting away and everything in between!!

The parents enjoy making some of the pictures and models with their children and they also have a chance to chat with other parents over a cup of tea or coffee.

Last month we had activities for the parable of the wise man who built his house upon the rock and the foolish man who built his house on sand. We had songs and short videos to illustrate the story and prayers of thanks and praise. Lianne arranges an activity which adds to the impact of the story. The children also show what they have made and tell us about what they have done.

Messy Church has a regular structure which starts with a welcome, then activities related to the story, the telling of the story and worship followed by sharing a meal together.

We have a loyal group of children and their families who regularly attend, to learn more of the Christ's love for us and to hear bible stories that we all grew up with.

At the moment we still have a faith tea where everyone brings food to contribute to the meal that all can share. We hope to try a bigger variety of food now that we have the new kitchen but really need more help to achieve this.

If you are interested in helping or know families who would be interested in coming please speak to me. Absolutely all ages are welcome.

Anne Sains - Messy Church Leader

Pastoral Visitors

This year our membership has gone down due to some of our members moving away and others having their membership cancelled. We are very sorry to report on the death of Mrs Linda Williams and Mrs Vickey Mawhinny.

The church is pleased to congratulate Mr. and Mrs. Markham on the birth of Mable a sister for Betsy

During the year we supported members who have had to go into hospital for operations and follow up treatments.

We also have members who either cannot get to church every week or are unable to come anymore. We keep in contact with them via

our Pastoral visitors who are Vivien Allmay, Gill Cross. Carolyn Sturgess, Kay Deed man, Muriel Pregnall and Anne Sains each of them is responsible for 10 church members or friends.

So please if you think anyone needs support just get in contact with one of the pastoral visitors?

Carolyn Sturgess

Fundraising

Our last Social and Fundraising event for 2019, was our Christmas Bazaar, it included stalls organised by the Brownies, Brightstars & Friday Club and this proved very popular.

We will hold this year's Christmas Bazaar on 14th November 2020, put it in your diary!!!!!!!!!!!!!!

Our first date for 2020 will be our famous PANCAKE MORNING on 22nd February, 10-12.

More dates to follow

June Parkhurst, Gill Cross and team.

HOCKMIRA

We had some enjoyable walks and pub meals in 2019, but our numbers are still dwindling (and ageing!).

Three of us joined in the Christian Aid Circle the City sponsored walk in London in May and we had an interesting

visit to Layer Marney Tower in August, but we didn't have the Messy Holiday Walk & Coffee Morning #because of the work taking place in the kitchen. Even for our annual trip to Woodbridge there were only three of us. And we failed to organise an end of season meal as we couldn't agree a date!

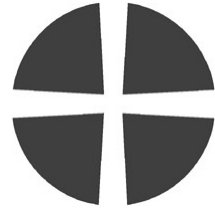

However, we will persist and hope to get out a programme soon for this year.

Muriel & Mike Pregnall

Outreach

We have been invited to join Emmanuel Church on 10 April for their Good Friday service. We enjoyed worshipping together last year, were made very welcome & 2 of our members took part. After the service we shared tea, coffee & hot cross buns - a good opportunity to get to know each other. Please put the date in your diary.

In June members from Emmanuel & St. Mary's joined us for an afternoon 'Cup of Song' service. We were pleased by the response as we shared a choice of hymns & readings etc. As the service was café-style, there was another opportunity to chat together over tea & cake. It's planned to repeat the service this year.

Anne Sains and I were recently invited to meet Rev Gillian Thomson, the minister of Bramerton Road United Reformed Church. Over coffee we discussed various ways we could work together & join in united services. She will discuss the matter with her members. Hopefully they could join us at a future 'Cup of Song' service. As some of our members are involved in uniformed group activities at both churches we agreed to pass on the dates of forthcoming parade services. Sadly the members of St. Peter and St. Paul voted to discontinue the practice of sharing a harvest meal together, as we had done in recent years.

Once again we displayed a crib scene in Hockley Library throughout December, together with details of Christmas services at our church and Bramerton Road. St. Peter and St. Paul chose not to participate this year.

Fairtrade fortnight this year runs from 24 February to 8 March 2020. As an approved Fairtrade church we always use Fairtrade tea & coffee which is easily available from Hockley stores. Please look out for the Fairtrade logo. You should be able to find it on bananas, sugar, tea, coffee, cocoa, chocolate, flowers & other products.

Kay Deedman

Thursday Club

Our fortnightly meetings on alternate Thursdays continued through most of the year with a varied programme of talks, outings and informal afternoons in member's houses. We are indeed grateful to all members for supporting this group over many years

and who make their homes available for our use.

Talks included stories of a trip down the Yangtse River, early memories of Sunday School and an account of his journey so far by Michael Moon complete with his wonderful photographs. We visited Southend Museum, the gardens at Beeleigh Abbey and the Leigh Heritage Centre and enjoyed a strawberry tea together, crazy golf at the Meadowcroft Garden Centre (and later in the year their German Christmas Market) and a performance of the musical 'Oliver' at the Palace Theatre. One highlight was to watch the TV programme 'Building the Dream' featuring Carla (Billy's daughter) and Eliot's lovely home in Plumberow Avenue and then being invited to take tea there along with a private view. More recently we celebrated the 90th birthday of one of our members, Shirley James, with a special tea.

Forthcoming events are usually included in Church Notices. Anyone is welcome to join us, either regularly or for a one-off. Further information available from programme secretary Vivien Allmey.

Michael Deedman

Communications

Publicising activities at Church as widely as possible is one of our principal tasks, and we've made use of The Link, the website, our Facebook pages, the Notices, Hockley Living and posters and handouts. We've started to make use of a couple of local Community Facebook pages and also a couple of free publicity websites and these seem to be widening our coverage. Claire Thompson, the Admin Assistant, has made good use of the main Facebook page, with consistent, regular and imaginative postings.

We're using bigger and bolder posters for our main events like Christmas and Easter - Billy came up with another stylish design for our Christmas poster – and continue to use the Church logo on all these.

Ron announced his retirement from editing the Link just before Christmas – he (and Shirley) have already been thanked for their contribution but it's worth recording it again here - they've been doing it for 10 years. Although nobody has come forward to take on the job, I had hoped to get together a small group to do the assembly, editing and copying so that no one person had to take on the whole role. Unfortunately, because of the Christmas break, and Muriel and I being on holiday, this hasn't happened at the time of writing, but I hope there'll be progress by 14th March.

We've had a couple of problems with the multi-media this year, notably with the sound system, but these have been resolved. Both laptops have been upgraded to Windows 10 and the hand-held radio microphone has had to be replaced.

After the trauma of introducing the arrangement to comply with the General Data protection Regulations, the system seems to be operating satisfactorily, largely thanks to Claire Thompson's efforts, although we aren't making best use of the database she has created.

Just a reminder:

- You cannot keep info on Church members/friends/contacts on private e-mail accounts.
- Only send out e-mails to multiple addresses using the BCC facility.
- Don't let anybody else know your account passwords account passwords.
- GDPR requirements apply to paper as well as electronic data paper copies should not normally be kept at home and should be kept securely.

The Church website at <http://www.hockleyhawkwelldmethodist.org.uk/> gives a lot of information about us and our activities, including non-Church groups and activities. It is visited regularly – according to

Google there were 37 “visits” in October and 14 people asked for directions! The Church Calendar is one of its most useful features - all our own meetings and regular events are on that Calendar as well as special services and fundraising events and the activities of the hirers of the premises. It’s important to keep it up to date and accurate so please let me have details of any event or changes to regular meetings.

We have two Facebook pages, one for the Church generally the other for Messy Church. In the longer term these will be amalgamated to avoid duplication. Both Facebook pages are used as a way of keeping people aware of activities at Church such as the Pancake and Fairtrade Coffee Mornings and these are repeated on the Messy Church page. Have a look at the Church page - <http://www.facebook.com/pages/Hockley-Methodists> and, if you’re on Facebook, “like” us.

Mike Pregnell

Brightstars

Brightstars Toddler Group continues to flourish and it is encouraging to know that its reputation has seemed to spread not only around Hockley but to surrounding areas such as Ashingdon, Rochford, Rayleigh and even Southend. Obviously as some of the existing children have reached pre-school age some have left but they have easily been replaced by a healthy new intake.

Tea, Coffee, Biscuits and healthy snacks for the children is still provided which gives the adults a chance to take a break, chat with other parents, make new friends or just catch up with existing ones. It also helps in spreading around any news or gossip surrounding children’s welfare, education or general wellbeing. In addition the sharing of all sorts of experiences and advice is always welcomed especially amongst new Mothers.

The average number in attendance over the last 3 months is approximately 35 Adults and 40 Children. In fact our first day back after the Christmas break we saw 51 Adults and 57 Children in attendance.

We continue to receive positive feedback from parents who really enjoy coming along with many now bringing their second child. Grandparents too are coming along especially when looking after their grandchildren. When we are closed due to school holidays many voice 'Oh what are we going to do on a Monday now'

At Christmas the children and helpers each did a finger print which was cleverly turned into one Christmas Tree card by June. This was put on display in Hockley Library for all to see.

It is also encouraging to see more of the Mum's coming along to Messy Church, various Bazaars and many of the Church's activities along with their families, which is always nice to see.

Brightstars still helps in supplying Tea and Coffee for the Church and where possible makes small donations along the way, but we are still very much grateful to the Church for its generosity in offering up the Church and Activity Hall to host the group and for the support it gives.

We stress that the running of Brightstars is very much a team effort and our thanks go to: Gill, Ray, Lianne, Eleanor and Claire for all their continued valuable assistance in helping us.

Sandra, June, Colin and John.

Friday Club

The Friday Club has continued to meet on alternate weeks during term time, with a variety of activities, mostly taking place in the coffee room or church.

We have learned about Korea from Michael, watched

films, played board games and computer games, concocted ice cream sundaes (just don't ask what went into them!!), reconnected with badminton and table tennis, walked down the pier on a showery evening followed by a fish and chip supper, produced bacon rolls for the bazaar but best and most regularly of all, played hide and seek in the pitch black of the hall and church, the kitchen being base and the only place with a light on.

We have talked about all sorts of things, including the letter form the President of the Methodist Conference about division around the Brexit debate, problems and frustrations at school, relationships and social interaction, the General Election and what's going on in the church. The two oldest members go to Greenbelt to help with the stewarding, one takes his dad along, who also helps. Nobody was able to go to Unite or 3Generate this last year because of a lack of leaders. Best of all, six of them (15 to 20 years old) have completed a four week training course, two managed two of them. It was delivered by our Superintendent, Rev Peter Moorhouse during November, December and January. Thank you to him for taking up the reigns and helping the young people to become a more independent group, hopefully able to dispense with my leadership in the not too distant future.

The Friday Club Team

1st Beaver Colony

We currently have 17 Beavers and 3 warranted leaders. We have also had extra help from parents as well over the last year. We will hopefully increase our numbers to 20 after Easter and always looking for more girls to join our waiting list.

We have had a busy year with a Fun Day at Belchamps in April to celebrate Renewal of Promise as a District. We also organised a sleepover for the Beavers in June.

The Beavers have worked towards their Adventure, Outdoor, My World and Centenary Challenge, Hikes Away 1 and Emergency Aid 1 & 2 Badges during the year. We are currently working towards the Animal Friends Badge.

During the summer term, we did a number of outdoor activities at Belchamps Outdoor Activity Centre which ended in an end of term inflatable party with the Cubs.

We are currently looking forward to our Pancake evening and the District Swimming Gala in February.

Thank you to Ross and Diane for their help and support throughout the year.

Jane Stafford - Beaver Scout Leader

Flower Arranging

My grateful thanks to Linda Clarke who with me has helped to provide fresh flowers in church most of the past year. It used to be the custom for members to buy, pay for or sometimes arrange flowers to mark a birthday or anniversary or to remember a friend or relation. If you would like to do so please have a word with Linda or me. Some of you may possibly remember May Daimond, a one-time member of this church. Her family give us money each year to provide flowers in her memory which we often use for Easter Sunday.

Kay Deedman

1st Hockley Scout Group

Another successful year, growing in numbers to now over 30. We have had many new members come to us on recommendation so it's great to know the programme we put together each term is fun and enjoyable for the young people.

As usual we had two overnight events. The first in April being the district wide Renewal of Promise camp and our own summer camp in July at Belchamps. Despite it being summer camp, the cubs had to survive one of the worst storms we have had in recent years on their first night. Thunder, lightning and torrential rain. They all coped brilliantly though and still managed some good sleep!!

Our pack evenings have been the usual mix of fun and badge work, with cubs working hard to earn challenge and activity badges. We entered the district cross country event and came an excellent third place.

One of our cubs earned the top silver award prior to her moving up to the scout section. We are hopeful there will be several more earning this award before they move up in September.

We continue to be led by Dan, one of the most experienced scouters in the District, supported by assistant Mike, pack Assistant Alex and young leader George.

Mike - Assistant Cub Scout Leader (1st Hockley Scout Group)

2nd Hockley Brownies

The Brownies have enjoyed another busy year, and have welcomed the introduction of a refreshed programme within Girlguiding which has given us the opportunity to earn a new set of badges and complete new challenges, alongside a range of games, crafts and events.

We started the year with the Girls in Construction Challenge, exploring different aspects of engineering and construction. Bridge building, railway planning, and constructing motorised robots were great fun, and we all received a well-earned badge.

We celebrated thinking day in February, made gifts for Mother's Day, and enjoyed an egg hunt and more crafts for Easter

During the Summer Term we went on a 'Fantasy' themed Pack Holiday at Guidewoods, our local campsite. The girls enjoyed a wonderful weekend exploring the woods and working together to complete different challenges. Back at Brownies, we made cress heads for Father's day, and completed one of the new Brownie Skill Builder Badges, all about keeping ourselves healthy.

At Brownie Revels in July the girls worked brilliantly as a team, competing against the other Hockley Brownie packs to win the District Shield! We are very proud of all of them, and ended the term with a trip to Hockley Woods for a picnic to celebrate.

The autumn term started with Girlguiding's latest Future Girl challenge, where we got involved in a national week of action to tackle plastic pollution. We all made a 'Plastic Promise' and wrote to our MP to let him know what we were doing and asking that he support action to cut down on plastic waste. The girls were really inspired, so we choose to complete the 'Influence' Skill Builder through the rest of the term, learning how to be a good listener, how to communicate effectively and putting these into practice to persuade and influence.

We enjoyed decorating the church windows for Harvest; our Super Spud character was the product of an evening talking about how the All We Can organisation is working in Ethiopia to introduce potato crops. The Christmas bazaar in November has become one of our favourite events of the year, and not only because it means a night of chocolate making. The girls really enjoy manning the stall on the day too, and we managed to raise some much needed funds, so I would like to especially thank the church for inviting us to take part.

We closed the year with some Christmas crafts and our annual Christmas Party.

None of this would be possible without the support of our wonderful leaders, Kat and Izzy, our young leaders Ellie and Harriet, who give their time and energy to keep the unit running. I would also like to pass our thanks and appreciation to the church for their ongoing support.

Amy Ensum (Brown Owl) - 2nd Hockley Brownies
